

owlypia where knowledge is shaped

A Global Online Competition for Students
Aged 11-14 (Owlets) and 15-18 (Owlys)

CALLING ALL YOUNG INTELLECTUALS!

Dear Prospective Owlypia Exam Centre,

We would like to inform you about a great opportunity to become an **OWLYPIA Exam Centre**. Owlypia is a global online competition, inspired by The Intellectuals' Challenge (TIC), which aims to enhance the academic prowess of young minds (aged 11-18) across the world by cultivating their intellectual curiosity.

Due to recent success and popularity, we are expanding our network of partner schools and institutions willing to become **Exam Centres**. The competition is online and all students, Owlypians, need to take Owlypia at the Exam Centres under the supervision of invigilators. However, they can either use the Exam Centre's IT labs or their own devices such as smartphones, tablets, laptops.

The next Owlypia competitions will be held on **24 November 2018** and **16 March 2019** with the theme: "**Creativity: Beyond the Borders**". If you are interested in joining us and becoming an Owlypia Exam Centre, please fill out the **application form** on our website.

We are looking forward to hearing from you.

Yours faithfully,
Owlypia Team
