# LET'S WORK TOGETHER

- Educational agents are invited to take the lead in organizing Owlypia rounds within their countries.
- Schools have the opportunity to provide a stage for students to shine, strengthening their bond with parents in the process.
- We warmly welcome educators to support their schools, both in administrative roles and as coordinators for local rounds.

Please be in touch with us via email indicating your role and intention and we'll be more than happy to get back to you with details!
